Don't be fooled by the sense of solitude that can come with winter; On the Great South Beach, better known as Fire Island, you are not alone. Life is everywhere, although often overlooked. Join this ranger-led hike where we will examine all aspects of life on a winter's beach. Seashells, birds, botany, sand and more will be discussed.

Please Note:

***Admission is Free.**

***Hike is on sand.**

***Dress for weather.**

(typically colder on the island)

***Bring a light snack and water.**

Can you guess what animal made these tracks?
